Besides, a lot of well known and reputed guest teachers are invited from different colleges and universities in order to create a congenial atmosphere of education. So the students and teachers are benefited reciprocally.

From the very beginning, our mission was to establish a university of international standard in business education named Bangladesh University of Business and Technology (BUBT). With the blessing of the Almighty Allah, Bangladesh University of Business and Technology approved by the Government of the People's Republic of Bangladesh started functioning in 2003.
